All of our puppies receive a thorough veterinarian exam before sale and are certified to be healthy. This puppy is guaranteed to be in good health and has had the customary vaccinations as listed below. This puppy will need additional vaccinations as your vet recommends.

Vaccinations: on schedule as recommended by our Vet (records provided)
Other: Wormer – Pro-Wormer-2 as recommended @ 2, 4, & 6 wks.

The puppy should get one more (@ 8 weeks) worming treatment at the time of the next booster shot. Please ask your vet about mandatory rabies shots and other routine treatments and vaccinations that he/she recommends.

Buyer must have puppy examined by their own veterinarian within three business days of taking their puppy home. If the buyer's vet should find a problem, we will ask your vet to please talk to our vet to describe the issue in detail.

If a genuine health problem exists, and if we are notified within that three-day period, we will work with the buyer to reach an agreement as to how to proceed. Sharing treatment expense or immediate return for a replacement puppy, as soon as we have one available, are a couple of options, at our discretion, that we will consider.

The cost of this puppy is \$ _____ plus shipping charges (if any) of \$ _____
The puppy carrier, (if shipped), AKC registration forms, health & Pedigree papers, first shots, deworming and vet visits prior to leaving our home are all expenses that will be paid by Z's Havanese.

Buyers deposit of \$500 reserved this puppy with the **balance due before the puppy leaves our home.** If buyer decides not to take their reserved puppy **after the puppy is five weeks of age there will be no refund of the deposit.** Deposit Paid _____
 Balance Paid _____

Longer-term genetic health guarantee:

Thankfully the Havanese breed is one of the healthiest breeds. Genetic defects are relatively rare. We will guarantee that any puppy we sell will not exhibit any health threatening genetic defect for a period of two years from the purchase date. If such a defect should appear, and if verified by both our Vet and the buyers Vet, the buyer may return the dog to us, and we will replace the dog with a healthy puppy as soon as we have one available.

We're sure you are going to be pleased with this delightful puppy. If you have a concern or if you have any questions, need help or advice concerning your new puppy, you are welcome to contact us any time. Let us know how your new companion develops; we're always interested in hearing about their continued success in their new home.

This dog is sold on a spay/neuter contract with limited registration. Proof of spaying/neutering is to be provided to the seller 6 months from the date of sale in order to receive full registration. Breeding rights can be sometimes purchased by separate agreement.
